

## Calling all fundraisers

Hello to all fundraisers,

We are always looking for people, venues and ideas for fundraising events. If you can help in any way at all please get in touch.

Perhaps you would like to run an event for us or maybe you own a venue you would be willing to let us use for an event?

Would you like to be a fundraising co-ordinator in your area? Whatever skills or past experience you may have, we would love to hear from you.

We are always keen to hear from businesses willing to sponsor charity events.

If there is anything at all you can offer that will assist us in our goal to raise funds in support of the many military charities, welfare funds and organisations working tirelessly to make a difference to the lives of our injured service personnel and bereaved families, simply leave a message here, drop us an email: [lucy.aldridge@williamaldridgefoundation.org.uk](mailto:lucy.aldridge@williamaldridgefoundation.org.uk) or telephone: 01885 482513

Many thanks,

Lucy Aldridge (Founder)
