BE WARNED!

This website serves as a living legacy to William Aldridge.

His mother, I and countless other veterans, and serving members of Britians Armed Forces, will hunt down, and eliminate any further disrespectful individuals BRAVE ENOUGH to post any further spam in this forum.

If you value your life, then kindly leave here now, and find somewhere else to post your spam!

Potential spammers. We remove your links on a daily basis, and automatically report idiots to the askminet spam service and YOUR individual internet service provider.

So don't waste your time, email account, internet service provider, etc, here!

And that is not all WE WILL DO TO YOU either!
