---

The Darts Exhibition kindly hosted at the Crown & Sceptre, Bromyard which saw PDC Darts players Kevin"The Artist"Painter and Andy"The Pieman"Smith challenging members of the audience, was not only a resounding success but brought in a total of £780 for the William Aldridge Foundation through generous donations and an auction of darting memorabilia - including a fantastic dart board donated by the world's no.1 Phil"The Power"Taylor, signed by our exhibition dart players!

The evening finished on a high note with a Christmas disco and an opportunity for attendees to meet their dart playing heroes in a relaxed, friendly atmosphere.

The William Aldridge Foundation is incredibly proud and privileged to have the continuing support of some of our greatest, world ranking dart players.

Huge thanks go to our event organiser Rebecca Icke for yet another fabulous night and to the wonderful John Peakman for comperring the entire evening as well as calling the auction.
