

A recording as yet?

Hiya Guys,

As soon as you have this song (or any other for that matter) recorded, please send me a copy, and I'll get it MP3'd and sell it as a downloadable product in Lucys online shop.

Some more funds for Lucy and The William Aldridge Foundation.

Cheers, Tim. ;)

As long as Lucy and the Foundation are making all the money from it, and not Simon Cowell, ITV and X Factor - he can write his own songs. lol. I will do! x
