

Raising Awareness

Posted by Lucy Aldridge - 2010/06/17 14:14

Bengry Motors in Southern Avenue, Leominster kindly invited The William Aldridge Foundation along to have an exhibition stand at their Ride & Drive event on 16th June to raise awareness and show support for the 'Kilimanjaro 2010 Appeal', and the work of The Foundation in memory of a local fallen 'Hero'.

We had many visitors to the stand eager to find out more about the Support we offer to our Armed Forces and to discuss some of the issues surrounding the conflict in Afghanistan.

We gratefully received a healthy total £164.00 for the raffle and sale of wristbands.

Many thanks to Bengry Motors who have pledged to continue supporting The William Aldridge Foundation and The Kilimanjaro 2010 Appeal.
