Tim,

Praise where praise is due! I am absolutely delighted with our website. You have gone above and beyond your own remit to teach a complete 'techno' novice how to best utilise what you've designed out of pure generosity and in the true spirit of Comradeship!

You are the best of the best!

Thank you truly from the bottom of my heart for helping to turn my 'vision' of the William Aldridge Foundation into a reality :)

Forever indebtedd xxx
