I saw this interview this morning. What a beautiful and touching reminder for all of us of the terrible price this war is costing some families.

Lucy - William would have been SO proud of you.

You were eloquent and elegant.

You were dignified.

You were a complete star.

I was moved to tears.

I hope it goes a long way to spread the word about the foundation.

Karen

I have just watched the link and am sat in floods - you did Will so proud and showed everyone what a dignified courageous lady you really are.

I am sure he would be so proud of you because I know we all are.
